## **ABOUT SCAREDSACRED**

"Poetic...moving . . .impressive!" - Variety

"Spectacular!" - NOW Magazine

"Astonishing!" - The Toronto Sun

"More than a movie - it's a movement!" - **ScaredSacred** volunteer

**ScaredSacred** is a feature documentary that has been an audience-favourite at festivals all over the world and garnered numerous accolades including the Special Jury Prize at the Toronto International Film Festival. Canadian Academy Award (Genie) winning filmmaker **Velcrow Ripper** takes audiences on a visually stunning journey to Earth's Ground Zeros searching for hope and meaning in turmoil. **Ripper's** search takes him to the minefields of Cambodia, war-torn Afghanistan, the toxic wasteland of Bhopal, post-9/11 New York, Bosnia, Hiroshima, Israel and Palestine. While questioning if it's possible for humanity to transform the 'scared' into 'sacred', **Ripper** unearths unforgettable stories of survival, ritual, resilience and recovery. The film deftly weaves together stunning footage with haunting memories, inspirational stories, and an evocative soundscape.

In theatres now, across Canada! Coming soon to the U.S.!

"**ScaredSacred** is one of the most cathartic and powerful films I have ever seen. It literally changed my life and sense of spirituality."
